

High-quality dictation microphone with mouse functions

Boost documentation productivity with Nuance PowerMic 4 and enjoy ergonomic control of dictation functions and on-screen field navigation.

Control at your fingertips

Nuance PowerMic 4 brings dictation to a new level by making it quick and easy to control the microphone, navigate and select on-screen fields, and insert, review, and edit generated text. With new features such as a larger pointing device, additional buttons, and magnetic mount support, professionals will enhance their productivity with an improved ergonomic control of dictation and speech recognition functions.

With Nuance PowerMic 4, knowledge workers and other professionals can rapidly navigate documents, templates, or report fields and insert text using dictation for new levels of usability and efficiency.

Key Features

- **USB plug-and-play installation** ensures compatibility with a wide range of computers
- **Unidirectional noise-cancellation microphone** ensures performance accuracy in even the noisiest environments
- **Easy-to-clean surface** promotes safety in office settings

Available models:

- 3-foot USB cable
- 9-foot USB cable
- 6-foot coiled USB cable
