### ScanSoft® PDF Converter Professional 4

#### Everything You Need to Create, Convert and Edit PDF Files

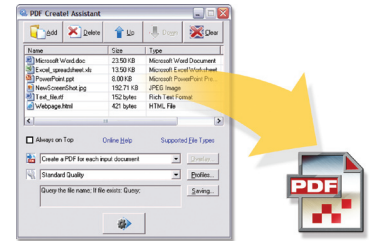

PDF Converter Professional 4 is the complete PDF solution for business professionals everywhere. Create, convert and edit PDF files in one, easy to

use application, at a fraction of the cost of the leading alternative software. PDF Converter Professional 4 features industry-standard security and mark-up tools to make collaboration and access control easier than ever before. Advanced PDF/A technology ensures that your documents display and print reliably, while cutting-edge compression functionality makes for smaller file sizes and easier sharing. And what's more, integration of Nuance's award-winning speech technology allows any PDF to be read aloud from your computer! Combine all this with PDF Converter Professional's unique form-filling and conversion technology and you truly have "Better PDF for Business".

#### CREATE PDF FILES FROM ANY APPLICATION

Instantly create 100% industry-standard PDF files that can be read, shared and printed, quickly and easily, from any application.

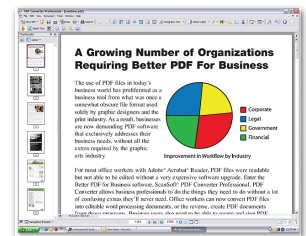

#### FASTER THAN EVER

Faster launch, printing, form-filling and document assembly ensure a streamlined workflow. Your document is converted with a simple click of a mouse.

#### EDIT PDF FILES DIRECTLY

Add copy, rearrange, even change the position of charts and graphics. With PDF Converter Professional, it's as easy to access information within a PDF as it was in the original file.

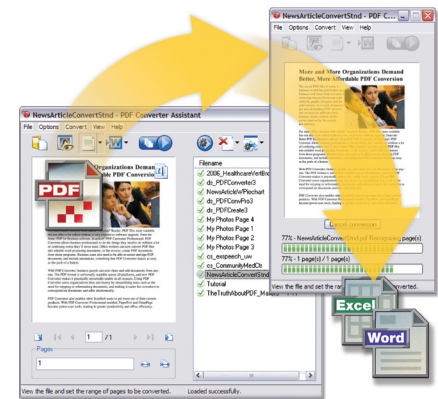

#### FILL OUT AND EDIT PDF FORMS

Turn static PDF forms into fillable PDF forms or Microsoft® Word forms. PDF Converter Professional includes Logical Form Recognition™ (LFR) – the advanced form conversion technology from Nuance used by the IRS, Secret Service and other leading organizations to create e-forms.

#### THE MOST POWERFUL & ACCURATE PDF CONVERSION AVAILABLE

Instantly turn PDF files into fully-formatted documents – with unmatched accuracy. PDF conversion now extends well beyond Microsoft® Word, with enhanced Excel® and Corel® WordPerfect® conversion, as well as award-winning speech functionality.

## Top 10 Reasons to Buy

### 1. The complete PDF solution

PDF Converter Professional delivers everything the business user needs, including powerful document and form creation, conversion and editing.

### 2. Create PDF files from any application

Instantly create 100% industry-standard PDF files that can be read, shared and printed.

### 3. Accurately turn PDF Files into Microsoft Office® and Corel® WordPerfect® documents

PDF Converter Professional instantly turns PDF files into fully-formatted, editable documents that look just like the original – complete with text, columns, tables and graphics.

### 4. Directly edit within PDF files

Save time by editing directly within an existing PDF document. Add copy, rearrange words, even change the position of charts and graphics.

### 5. Stop printing forms

PDF forms are great — if you can fill and save them online. With FormTyper™, you can make any PDF form fillable with a single click.

### 6. Secure and control documents

Protecting sensitive information is critical. Built-in encryption and permission control lets you decide who can access, print, or edit documents.

### 7. Includes comments & markups

A complete set of PDF annotation, sticky note and markup capabilities lets you share your comments with others. The new "Print with Comments" feature simplifies tracking and working with complex documents.

### 8. Combine different files into one organized document

Combine multiple sources, such as JPEGs, Word files and web pages, to create a single PDF file, then share your work as an integrated document.

### 9. Listen to documents on your MP3 player, Apple® iPod®, etc.

Listen to documents on your Apple iPod, PC or MP3 device! Only PDF Converter Professional turns your PDF files into human-sounding audio files using Nuance RealSpeak®.

### 10. Save your documents forever

Now you can turn any file into a PDF-Archive file (international standard PDF-A), ensuring that it will display and print properly for the next century.
