

# To make your job easier, we work harder on partnerships

Creating value for healthcare organizations through AI-powered solutions optimized for Allscripts.

Given all the platforms, devices, and unique demands of the people who use them, creating a seamless experience isn't easy. That's why we partner with Allscripts to make it easier for clinicians to document everything without ever taking their focus off what matters most—caring for their patients.

## Deeply embedded across the continuum of care

Deep integrations between Nuance healthcare solutions and Allscripts solutions allow physicians to use conversational user interfaces to practice medicine and create effective clinical documentation—while maximizing the value healthcare organizations receive from their EHR.

- Full support for Dragon Medical One including voice control and navigation.
- In-workflow physician documentation guidance through Dragon Medical Advisor.

## Joint innovation and strategic development

Technical strategy is the backbone of our partnerships. That's why we engage in joint development and innovation projects—and here are just a few of the areas where we work alongside Allscripts so that we can deliver a seamless user experience:

- Joint roadmap and strategic planning enable future development of AI-supported workflows.
- Drive EHR adoption by improving usability and productivity through integrated, cloud-based clinical documentation solutions.
- Strategic partnership aligned with Allscripts' growth objectives.
