

# Document operative reports on-the-go

Nuance is committed to helping you complete clinical documentation anytime, anywhere. We provide all Nuance Surgical Computer-Assisted Physician Documentation (CAPD) clients with a secure mobile app making 100% compliant clinical reports easier than ever to create.

## Access daily schedules

Plan your day by reviewing upcoming surgeries. Select a case to begin a report.

## Improve wRVU capture

Intelligent documentation workflows provide specificity guidance for procedures and diagnoses so you can deliver compliant notes that reflect the appropriate level of care. Nuance Surgical CAPD users have improved wRVU weights by 15%.<sup>1</sup>

<sup>1</sup>wRVU impact values are based on analysis of ~20,000 weighted wRVU CPTs claims data from Nuance Surgical CAPD users (2020).

## Enhance reports with mobile image capture

Better articulate conditions and procedures by securely capturing images that support HIPAA-compliance using your mobile device and attach them to your documentation.

## E-sign reports

In-between offices? Review and e-sign reports directly from your phone.

## Get reimbursed faster

Automatically generate and deliver accurate operative and suggested charge reports complete with CPT and ICD-10 codes. Reports can be sent directly to surgeons' offices and associated providers.
