

Setting up a Nuance Business Connect demo

Step 1: ----->

Register for the Nuance Business Connect demo:

<http://www.nuance.com/imaging/mobiledemo/registration.asp>

Step 2: ----->

After you submit your registration, you will receive an email asking you to “click here” on the email confirming your registration.

Step 3:

Visit the Apple App Store or Google Play Store and download/install the Nuance Business Connect App.

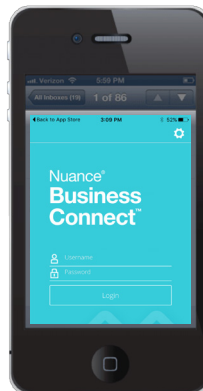

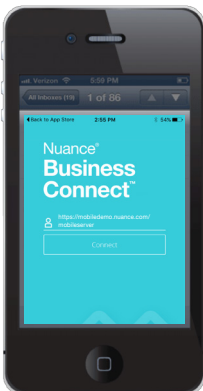

Step 4: ----->

Open the Nuance Business Connect App and enter the server address: <https://mobiledemo.nuance.com/mobileserver>

Step 5: ----->

Enter the username and password you used to create your demo account, and log in.

You are now ready to go with Nuance Business Connect. If you run into any issues, please submit a problem report using the “Report a Problem” feature found in Settings within the Business Connect client itself.
