

Not all PDF software license models are created equal.

Learn more about the models and what you need to know before buying.

Cloud (recurring) subscription license model

One-time (perpetual) license model with maintenance

Monthly cost, but typically at a higher premium with no ownership (overall higher contract cost)

Typically Operating Expense

Less control with built-in cloud hosting with potential for additional storage costs

Multiple products and licenses to manage comes with higher IT overhead

One-time fee with full ownership and no audits (overall lower cost)

Typically Capital Expense

Full control over document storage and security

Single product and license streamlines IT support

It's time to evaluate and compare.

PDF software isn't just a cost of doing business - you have more than one best-in-class choice when it comes to PDF software. It can strengthen your business, from widening margins to transformative efficiencies all with a seamless transition.
